**This seminar will be held indoors on synthetic turf.**

**DEADLINE TO REGISTER: MAR 15, 2010 or when filled.**

**Novice Handling Monday, April 19, 2010; 9:00 AM – 5:00 PM** We will work on handling skills and drills with short sequences of jumps and tunnels (8-10 obstacles). Learn how and when to cross and the impact that your motion has on your dog. Dogs should be jumping at full height and should be sequencing confidently. Working \_\_\_\_\_ Auditing \_\_\_\_\_

**Intermediate Handling Tuesday April 20th, 2010; 9:00 AM – 5:00 PM** This will include handling drills and sequences and will include contacts and/or weave poles. We will fine tune your handling and increase your understanding of how to balance your cues to help your coursework. Dogs must be competent on all equipment and able to handle advanced level coursework. This seminar is perfect for those who are handling at the intermediate level and is a must for those working with a young dog. Mary Ellen will set up drills to challenge the dog and handler alike and help the handler better understand her cues. Working \_\_\_\_\_ Auditing \_\_\_\_\_

**Advanced/Masters Handling Wednesday, April 21, 2010; 9:00 AM – 5:00 PM** We will put you through your paces running masters level courses including contacts and/or weave poles. We will fine tune your handling and increase your understanding of how to balance your cues to help your coursework. Working \_\_\_\_\_ Auditing \_\_\_\_\_
